

Hunter Greulich Memorial Scholarship Fund 2024

This scholarship was developed in remembrance of Hunter Greulich, who followed his dream and received a degree in diesel mechanics. This scholarship will be awarded to a current Heritage Hills High school senior who is passionate about pursuing a degree in auto/diesel mechanics at a two-year college or trade school with a grade point average of 2.5 or higher.

An ideal candidate should exhibit a passion for mechanics, a desire to help others, and a strong work ethic.

The scholarship of \$1,000 will be awarded directly to the institution after verification of enrollment. It will be awarded in May at the Senior Awards Program.

Return completed application to the HHHS Guidance Office by April 5, 2024.
