2024 Memorial Hospital Foundation Scholarship Instructions

The Memorial Hospital Foundation holds over \$75,000 in scholarships for the benefit of students across our service area. Many of the scholarships offered by the Memorial Hospital Foundation have specific purposes and selection criteria. Please reference the Foundation's website for detailed information regarding the scholarships, and link to apply: www.mhhcc.org/giving

Students are invited to complete one universal application and choose all scholarships for which they qualify. The scholarship applications open January 1, 2024 and all applications must be submitted online. The scholarship applications will close at 11:59 pm on March 15, 2024. All application submissions are final as of that deadline with no exceptions.

Late submissions will not be accepted. Please do not submit your online application until you have all documents uploaded, as explained below. **No hard copy applications will be accepted. All applications must be submitted electronically.**

Applicants will be asked to complete the online registration, and upload the following documents:

1. High School Transcript: The high school transcript should include three and one-half years of high school minimum.
2. College/Secondary Education Transcript – If applicable: The college transcript should include all available.
