

Noah Loper Memorial Scholarship 2024

\$500 Non-renewable Award

Noah was a beloved son, brother, and friend. He graduated from Heritage Hills in 2017 where he participated in the band and never earned a grade below an A-. He went on to complete his junior year of college at the University of Southern Indiana where he was majoring in foreign studies. Noah was authentic, determined, and loved learning new things. He appreciated music, art, literature, travel, and life experiences. He encouraged others to do what makes them happy versus caring what other people would say and his family and friends could attest to that.
